The Rate for the Job

HELP your fellow journalists negotiate fair freelance rates! The Rate for the Job at **www.londonfreelance.org/rates** and the column in the *Freelance* especially help members breaking into new areas of work. Let us know (anonymously) about your triumphs – and about the skinflints. Please give information on licences – the default should always be "FBS" – **F**irst **B**ritish **S**erial rights – unless of course it's First Web Rights with print rights as an optional extra.
